3a I/We am/are the registered owner(s) of the cats and/or kittens named on this form and I/we agree to be bound by and submit to the Constitution and Rules of the Governing Council of the Cat Fancy presently in force and to any additional rules formulated specifically for this show, provided only that the latter do not conflict with the former. And/OR I/we shall have applied for registration/transfer at least 21 days before the show.

3b No cat owned by me/us or living at the same address will be exhibited at or entered for any show or public exhibition held less than thirteen days prior to or following the date of this show/exhibition. NB. The owner of a cat is the person so named in the GCCF register (Section 4, Rule 1b).

3c (1) In the event of ear mite infestation being diagnosed in my/our cattery/household by a veterinary surgeon, no cat owned by me/us or living at the same address will attend any show/exhibition until such time as all the cats owned by me/us and/or living at the same address have been examined by a veterinary surgeon and pronounced free from ear mite infestation.

3c (2) In the event of ringworm infection being diagnosed in my/our cattery/household by a veterinary surgeon, I/we will inform the GCCF Office and neither I/we nor any cat owned by me/us or living at the same address will attend any show/exhibition until a clearance Certificate, as required by the GCCF, has been obtained.

Countersigned Date

All exhibits must have a current vaccination certificate against FIE, FVR and FCV ('cat flu'). The full course or booster, in accordance with the manufacturer's recommendation, must have been completed more than seven days before the show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a veterinary surgeon or a listed veterinary nurse under the direction of a veterinary surgeon and clearly indicate the identity of the exhibit and the owner. Cats without a valid vaccination certificate will be rejected under section A unless the exhibitor undertakes to provide proof of vaccination valid for the show, by sending a certificate to the GCCF office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of

vaccination is received at the office.
